

**DEPARTMENT OF
CHEMISTRY AND
CHEMICAL BIOLOGY**

SCHOOL OF SCIENCE
A Purdue University School
Indianapolis

Graduate Studies Questionnaire

Thank you for your interest in our graduate programs in Chemistry & Chemical Biology. Please complete this questionnaire if you wish to apply for admission. Do not include any payment for fees with this form. You do not need to do an on-line application to submit this questionnaire (you will be advised of the most appropriate time for that later). Send the completed questionnaire and materials requested herein to:

Graduate Admissions Committee
Department of Chemistry & Chemical Biology
Indiana University-Purdue University Indianapolis
402 North Blackford Street
Indianapolis, Indiana 46202-3274

Name

Telephone no. with Area code/Country code

Street Address

City

State

US Zip Code or Country

Male

Female

Date of birth

If we may contact you by e-mail, give your e-mail address: _____

Are you a U.S. citizen or permanent resident? yes no

Requested starting date for graduate study: Fall 200_____ Spring 200_____

- Except for MS part-time program, applicants who are not U.S. citizens or permanent residents may enter only in the Fall term.

Degree objective/program at IUPUI: PhD MS MS (part-time)

- If interested in more than one program, give numbers to indicate preference (1 = strongest)

Area of interest (check those that apply):

Analytical

Biochemistry

Experimental

Forensics

Inorganic

Organic

Physical

Theoretical/Computational

Education:

Degree Date (expected or awarded) Major GPA (A=4, F=0) College or University

GRE: If you have taken the GRE, please enter the scores you received below and arrange to have an official test report sent to us. **The general test is required for international applicants.**

	<i>Score</i>	<i>Percentile</i>	<i>Date Taken</i>		<i>Score</i>	<i>Percentile</i>	<i>Date Taken</i>
Verbal	_____			Analytical	_____		
Quantitative	_____			Chemistry	_____		

TOEFL: The TOEFL is required for international applicants from non-English speaking countries and is very important. It is recommended that you complete and return this form *only* if you have a TOEFL score *above* 625 paper/263 computer/106 internet. Please be sure to arrange to have an official test report sent to us.

TOEFL Score _____ Date Taken _____

Personal Statement: Please include with this questionnaire a **personal statement** of about 250-300 words (not more than 500) explaining your accomplishments, interests, reasons for pursuing graduate work in chemistry, and your career objectives. Mention research or related work experience and explain any special points about your preparation for graduate work that are important for us to know.

PERSONAL STATEMENT Enclosed Will be sent by _____

Transcripts: Please enclose **2 original transcripts** from prior college/university study or have them sent to us.

TRANSCRIPT(S) Enclosed Will be sent soon

Letters of Recommendation: Please arrange to have **letters of recommendation** sent *directly* to us from 3 individuals who can comment on your abilities and qualities for graduate study. Forms can be downloaded (pdf) for use by recommenders, but it is not required that recommenders use these forms, nor is there any specific format required for their evaluations and comments. Please complete the following.

If the information requested herein is complete and accurate, it will be reviewed by the Graduate Admissions Group within the Department of Chemistry & Chemical Biology and you will be advised of the outcome. International applicants (anyone who is not a U.S. citizen or permanent resident) should be sure that we have received complete information by JANUARY 31 prior to the Fall term in which admission is sought. For other applicants, there are no deadlines. Being as early as possible relative to the desired entry date assures the fullest consideration. Notification of the outcome of the committee review usually takes from 7 to 15 weeks; however, notification by APRIL 15 should be expected for applicants for Fall admission if the information herein is complete by MARCH 1.
